

Save the date! Women7 Summit on 24 - 25 May 2022

Dear supporters and colleagues,

with the G7 Summit under Germany's Presidency approaching, feminist civil society from all over the world demands: it is time to deliver!

We are delighted to announce the **Women7 Summit 2022!**

May 24, 1.00 - 4.30 pm CET

May 25, 12.00 - 3.15 pm CET

Through a multi-stage consultation process, the W7 brings together an international network of feminist civil society organizations and advocacy groups with the aim of placing gender equality at the center of G7 negotiations. Over the past months, W7 Advisors have gathered in working groups to formulate policy demands to G7 leaders and to agree on a joint declaration, the W7 Communiqué. [Visit our website](#) for more information on the Women7 Engagement Group.

We are looking forward to discussing the W7 policy demands with high level political and civil society representatives during the two-day conference and are ready to hand over the W7 Communiqué to German Chancellor Olaf Scholz on May 25.

The digital event will be held in English. An invitation, including a link for registration will follow shortly. Please feel free to forward this save-the-date to other colleagues and gender equality advocates and let us know about any other colleagues interested in the Women7 Summit.

If this message has been forwarded to you and you wish to receive an invitation to the W7 Summit, or if you do not want to receive any further information, please contact the W7 Team at info@women7.org. Should you encounter any further questions, do not hesitate to get in touch.
